---

The Pulse Soundset for U-he Diva contains 2 separate soundset folders.  
These are as follows.

“Pulse Main”

This set contains 128 sounds.

“Pulse Variation”

This set contains 112 sounds.

This set is made up of tweaked Variations from the “Pulse Main” set.

---

\*Note-

These sounds were created for LOW CPU usage.

Using low "Voices" amounts.

If you find note cutoff problems, please increase the number of the "Voices".

All sounds created using a Core 2 Duo 2.88ghz CPU in Divine-Best mode.

---
